

## ONEPASS

### YOUR TICKET TO LIMITLESS ENTERTAINMENT

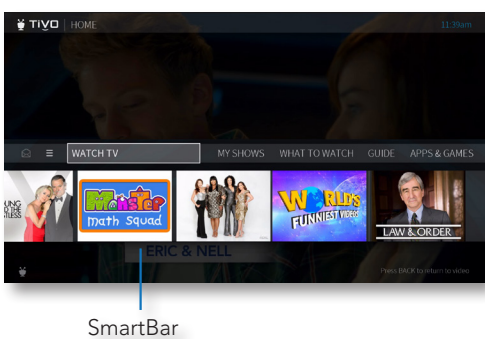

OnePass gathers every episode of a series available anywhere and adds all of them right to your My Shows list. If it's not available on TV or video on demand, OnePass fills in the gaps with episodes from providers like Netflix. To create a OnePass, find a show you want to watch, then choose *Create a OnePass* to set up your recordings.

## THE SMARTBAR

### READY WHEN YOU ARE

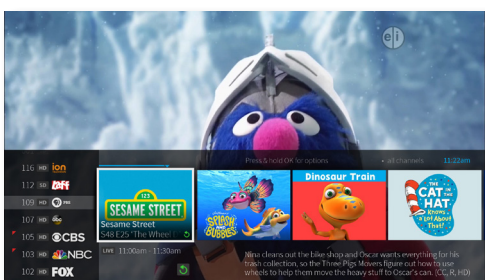

The SmartBar, located at the bottom of the Home screen, predicts shows to watch based on what your household usually watches at a particular time or day. For example, if the kids tend to watch shows while dinner's cooking, their shows will be waiting in the SmartBar at that time each day.

## MINI GUIDE

### NEVER MISS A THING

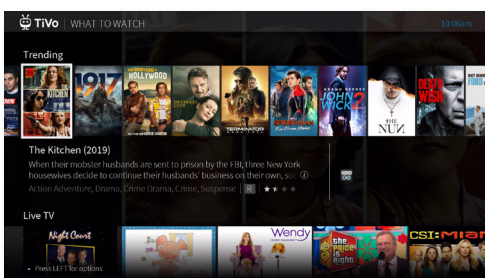

While you're watching video, press UP on your remote to reveal the mini guide. Use the mini guide to see what's upcoming on the selected channel, and to browse and switch to other channels.
